## President's Message

Happy Valentine's Day to all the ladies.

A special thanks to Freeport Mayor, Robert Kennedy, for being at our GM to administer the oath of office to myself and our executive board.

Thank you to the general membership and the Board of Directors for their support during my first month in office.

The US Army Corps of Engineers recently completed the maintenance dredging of nearly 680,000 cubic yards of sand from the Jones Inlet Channel to a depth of 14 feet. It will be great to once again sail south and not have to run that west bar obstacle course. Spring can't come fast enough.

As we leave the holidays behind us our yearly club business is off and running in a positive direction. At the February GM Bruce Foster has arranged to have the Faust brothers, mates on the offshore F/V *Canyon Runner*, as guest speakers. I want to remind all members that the March GM is our Annual Awards Night. Come out and support our friends as they receive their awards.

Until next month, stay safe, stay healthy and remember that participation is key to a great club experience.

*Paul Cunningham*

# Happy Valentine's Day

# Derbies, Awards & Contests

Chairman: Ray Geiger | Committee: Bill Morrogh & Harry Sbaschnig

In this month's issue, you will find the list of tentative 2022 FTC Annual Award winners. Please review the list and let us know if you have a question or notice any discrepancies.

Contact us directly at: [ftcawardsandcontests@gmail.com](mailto:ftcawardsandcontests@gmail.com) or 917-862-4321

Our Annual Awards Night is scheduled for March 9th, so please be sure to add it to your social/fishing calendar. It will be quite a night with a total of four, count 'em, four new club records to be awarded. We urge you all to attend and congratulate all members who set the bar last year for fishing excellence.

We ask you again to please make a concerted effort to get all your weigh slips in on time and fill them out legibly/completely! It's extremely important that you fill out all of the fields on the slip. A number of slips were missing the line test, tackle type, captain and/or F/V.

On behalf of our committee, would like to wish everyone a safe and productive 2023 Derby season.

Now as they say, here comes the really good stuff! Based on recommendations received from The Fishing Committee (thanks again Bruce!), we have been given the go ahead by the FTC BOD to institute provisional changes to our derby awards this year. These changes were made in order to increase member derby participation and to "stimulate" your fishing prowess.

For our inshore derbies, there will not be an award for third place this year, but the gift card values awarded for first and second place during the Spring and Fall seasons will be increased to \$100 and \$75 respectively.

In addition, if there is no spring derby winner awarded, the prize will rollover to the winner of the fall derby for that species. That will mean the payout for the fall first and second place winners will receive gift cards valued at \$200 and \$150.

For our offshore derbies, once again there will be no third place derby award given. The prize values will be increase to \$150 and \$100 for first and second place respectively.

Once again, if there is no spring derby winner awarded, the prize will rollover to the winner of the fall derby for that species. That will mean the payout for the fall first and second place winners will receive gift cards valued at \$300 and \$200.

Also, the BOD has increased the minimum weight for Mahi to 10 lbs.

Lastly, we have instituted "Take A Kid Fishing." Prizes valued at \$30 and \$20 will be awarded to children twelve years and younger, who take first or second place only during our Spring & Fall derby seasons.

That's all we have for you right now. We plan on attending our February 9th GM at the Freeport Yacht Club and you should too!!

Best Fishes ---- *Ray Geiger*

# Business

Summer contracts and applications for the upcoming 2023 summer dockage was emailed, you also should've received hardcopies in the mail - if you didn't please contact me. All invoices that you received for the summer dockage 2023 have a 5% discount included your invoice and must be paid by February 15, 2023 **in full** to get this discount. If not, you will be billed for the difference. If you're interested in putting your boat in for the 2023 Summer dockage or beyond please text email or call.

I will be reinstating a \$100 deposit waiting list (100% refundable), for summer dockage. Waiting list will be posted. If you have any questions please call.

I would also like to welcome Diana Toback to FTC's membership committee.

# Fishing Committee

The updated Derby program with much increased payouts is outlined in this issue (see left). The success of these changes will be monitored and evaluated at the end of the season. We are encouraging all members to submit your weigh slips! The Annual Awards are also being updated and should be approved by the BoD this month.

The Fall Measure & Release Calcutta results were presented by Doug Toback and Chris Lombardo at the January GM (thank guys!). The results are as follows:

- 47 FTC members entered
- 65 qualified submitted fish
- Early Entry prize won by Bob Pandy (Tony Maja Spoon)
- Submittal prize won by Frank Cefai  
(rod & reel donated by Capitol Tackle)
- All the cash for a 45.47 inch Striped Bass submitted by Andy Hepworth caught on the *Constant Struggle* captained by member Don Neubauer. Nice work boys!

Following the success of our Striped Bass Calcutta, we will be hosting a variety of calcuttas throughout the 2023 fishing season. In addition to Measure and Release we will host weight based calcuttas as well. To encourage more participation, we will be adding a digital scale at the property which can be used by all members. Of course traditional FTC weigh station slips will be eligible as well. Stay tuned for more information on this.

Tight lines and calm seas,

*Bruce C. Forster* f/v Oh Yeah 516-443-4680
